Additional Services

Merchant Capture

Partner with our team to install software at your business to electronically scan and transmit deposits from the comfort of your own office. Users must image, balance and transmit to the bank by 4 p.m. for same day credit to your account.

Merchant Services

Debit and credit cards are the preferred payment method of most consumers today. Our merchant services program can help you streamline the benefits of accepting card payments for your customers.

*See one of our new account representatives for account disclosure and fee schedule.
**Message and data rates may apply from your wireless carrier.
*** Restrictions and fees may apply.
